

Fundamentals of Web Design – Aligned to World Organization of Webmasters, Certified Web Designer Associate (CWDSA)

The World Organization of Webmasters (WOW) has created a certification for Certified Web Designer Associate (CWDSA). The *Fundamentals of Web Design* course, sponsored by Adobe Systems, will help prepare students to take this certification exam. Becoming a Certified Web Designer Associate will aid students in further validating their Web design competencies when communicating with potential employers. Created by WOW, this test is available through VUE testing centers. VUE has multiple centers in all 50 states of the U.S. and a total of 3,000 centers in 120 countries.

Cisco Networking Academy students receive a substantial discount on the CWDSA certification fee. To find out more from WOW about the Certified Web Designer Associate (CWDSA), please visit <http://www.joinwow.org/cisco>. From there you will be able to locate a VUE testing center near you and register online.
